MICROSOFT WORD - 47 LIFE AFTER OBAMACARE _2_

October 26, 2012 Life after Obamacare So let's say Republicans win the House, the Senate and the Presidency, and they've held to their word and repealed Obamacare. What now? Well, first let's think about what repeal might mean? The law may be gone, but Obama and his team have had 2 years to enact many parts of it: agencies, departments, grant programs, panels, commissions, rules and regulations that took effect as early as September 2010. What happens to those? I...

DEALING WITH STRESS

Being a student can be very stressful. There are a lot of demands on your time and energy, and sometimes too much stress can make it even harder to do what you need to get done, let alone enjoy the college experience. But the good news is that you don't have to let stress take over your life. The first thing to do is identify the sources of stress in your life. They can be due to the circumstances in ...

DEALING WITH WIND TURBINE APPLICATIONS

Dealing with the planning system This morning I will try to help you to respond to planning applications. There are two types of planning application those that require an Environmental Impact Assessment (EIA) and those that do not. Substantial developments such as a wind farms will generally need an EIA, which means that what is called an Environmental Statement (ES) must be submitted with the planning...
